

Dairy for the next school year

Dear Parents / Guardians,

Welcome to the new School year!

We are very excited to be educating your children and hope that they are ready for a year of hard work and learning!

We wanted to reach out to you to let you know about our school calendar for this upcoming year and remind you of a few things.

As well as term dates, we included dates for the school fair and jumble sales.

We invite all parents to participate in the events so your welcome to call our school office if you won't find any further information.

School starts in two weeks on September 1st.

Children are expected to be punctual, if you are bringing your child to school after the start time of nine in the morning, you need to take your child to the office instead. Students are allowed to arrive from late.

We also wanted to use this opportunity to remind parents of all items that are banned from school grounds. No ifs or buts.

We want to be very clear here - if we see a student with one of these items, they will have to wait until the end of the week for the item to be returned.

The three attachments are the stationary list, the dairy, and our final attachment is a list of banned items.

Have a great week end!

The school faculty
