

# MATHS WEEK SCOTLAND CONTEST

To celebrate Maths Week Scotland 2020, why not join the **free** nation-wide contest for all primary and secondary schools.

It's a great opportunity for children to practise maths, build confidence and be in with the chance of winning exciting prizes.

Take a look at our 2019 highlights:

## 75,042 PUPILS

from across the country took part

## 6,427 CLASSES

entered the contest, battling it out to come top of the leaderboard

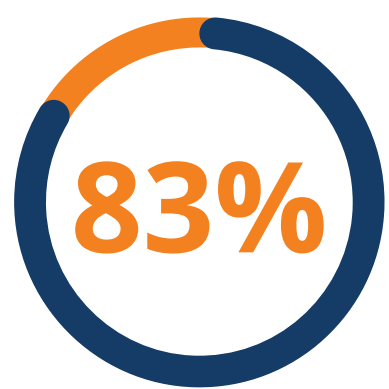

## 16 MILLION QUESTIONS

answered over the one week contest period

## 13.9M CORRECT ANSWERS

over 13 million maths questions answered correctly

## 31 MINUTES

spent on average per pupil practising maths during the contest

*"Sumsdog helps us in the classroom by allowing us to tailor skills to individuals."*

Class teacher, 2019 winners
